Announcements & Updates

Copy and paste team news, important upcoming dates and events into this space. You could use the space to record a brief statement about what to expect in each class in the upcoming grading period.

MAP Testing Information:

Eminence students take a MAP assessment in reading and math three times per year. These assessments help us measure a student's growth in each area. The RIT score refers to the raw score while the percentile indicates how the student compares to the national norm group.

For more information on MAP testing at Eminence Elementary please visit <http://bit.ly/UeCxd2> or contact your child's teacher.

MAP Scores	Fall MAP Test		Winter MAP Test		Spring MAP Test

Report Card Key

E	<i>Exceeds Expectations</i>
M	<i>Meets Expectations</i>
W	<i>Working Toward Expectations</i>
C	<i>Area of Concern</i>
blank	<i>Not applicable</i> (this grading period)

Personal & Social Growth	Math				Science				Language Arts				Social Studies							
	Quarter:				1	2	3	4	1	2	3	4	1	2	3	4	1	2	3	4
Respectful to self, others & materials																				
Gives best effort																				
Demonstrates self-control																				
Listens & follows directions																				
Positive attitude																				
Completes & submits work on time																				
Organizes time & materials																				

Language Arts- Mrs. Rebekah Murphy

Academic Grade:

rebekah.murphy@eminence.kyschools.us

M

Overview of the past nine weeks: Teacher writes and records a short description of the topics/content students have focussed on during the past grading period. This description should be copied and pasted in this box on each student's report card.

In the second paragraph the teacher should write a specific comment about the individual student and their progress on standards: Example: Thom has increased his MAP reading score by 7 pts from last year. This indicates strong growth. His personal narrative about his trip to Disney World is a good example of Thom's development as a writer. He greatly improved the sensory detail in his final draft.

Standards:	Level of Mastery:				Summary of skills measured this grading period:
	1	2	3	4	
Reading	W				
Writing	E				
Speaking & Listening	N A				
Language	A				

Mathematics- Miss Anna Kristin Lewis
